THINK YOUR WATER

 **Opt for clean. Opt for green.**

At BRITA we have always cared about the environment. Our philosophy is to provide the best quality water from the most local source, eliminating the need for costly and polluting transportation and packaging.

High quality and resistance

The light high-quality, durable and BPA-free plastic material makes this bottle the perfect everyday accompaniment in all areas, where fracture resistance is key, e.g. when bottles are carried to meetings or used in places where high standards of hygiene are important, such as hospitals.

**WAVE
